PRESIDENTS REPORT

The VAPS convention has once again been held and this year it was at Churchill in Gippsland. We were unfortunately unable to attend but our club was represented by Judy Johnson and Lorraine Harvey and according to Judy it was very well attended and quite successful. Ballarat Camera Club came 40th in the EDPI section and 20th in the print section. We will bring the program to club for anyone to read. Lorraine Harvey received her 25 year badge at the convention and we have badges to present at club for Brian Hillman 10 years, Carol Hall 20 years and David Grigg 50 years.

We have Devonport camera club from Tasmania judging electronically this month and David Grigg as our guest speaker. I would appreciate if as many members as possible could come along and support David.

Stephen Moten has built a prototype print stand which has been accepted by the committee and Anne Carroll has approached the Council regarding a community grant which can be up to \$7,000.00. We will apply for materials for seven double sided stands which will each hold twelve large prints and a covered trailer to transport them. We will supply the labour to build the stands. The committee has appointed a sub committee to proceed with this application. A huge thank you to Stephen for all the work he has put in designing and building the stands as I believe he has made several variations before being satisfied. Thanks also to Anne for her initial approach to the council.

The APS convention is on at Ballarat's Mercure Inn this year from September 12th to 15th and they are looking for volunteers to help at this event. If you volunteer you receive discounted admission prices so keep these dates free in your diary.

As Jodie is overseas Steve Demeye has agreed to be Flare editor for this month so thanks Steve it is much appreciated.

Lorraine Harvey received her 25 year badge at the convention and we have badges to present at club for Brian Hillman 10 years, Carol Hall 20 years and David Grigg 50 years

Digital Display at the Ballarat International Foto Biennale Images of Lake Wendouree and Surrounds from Ballarat Camera Club Members.

We have the opportunity to display images via the Paddle Steamer Museum during the Ballarat International Foto Biennale.

What we need is images you have taken over the years that include Lake Wendouree and its surrounds.

Therefore include the following: Lake Wendouree, Botanical Gardens, War Memorial area the Arch Of Victory, the trams, events like the Begonia Festival and Lake recreation activities. Don't forget to add in any Flora or Fauna that has been taken in the area. Also include some Iconic Ballarat Images, like the Post Office, Train Station etc.

Each member will be credited with their name included and of course the copy right remains yours.

So please contribute some images as soon as possible, no later than the July meeting. There is no limit as to how many images you can submit. We are having an endless loop of images displayed via a Tv screen. We don't have a submission date that they require them by but the Ballarat Biennale is on from August 20th to October 20th and I need time to collate them all.

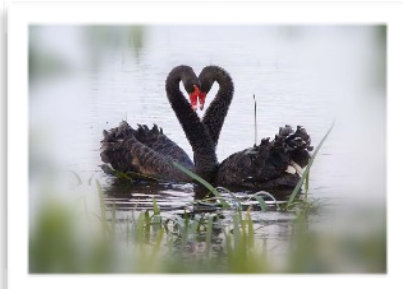

So please give them to me on a flash stick or via dropbox etc, at the usual club edpi size with your images titled. I'm not sure if the titles will be visible but it would be helpful if they were labelled appropriately and not just image 1 , image 2 etc.

I will create a silent slide show to display all of these, in a continuous loop.

There will be the opportunity to have some prints displayed but at this stage we are unsure of the details. We will forward details if that is the case as time gets nearer.

If you have any concerns about any of your images, how to proceed or you want a more detailed explanation please contact Betty or Janette.
