September 2015

Annual General Meeting

The Club held its AGM on August 14 at which the following officers were elected for the next 12 months.

President

Vice President

Secretary

Treasurer

Committee Members

Peter Cocks

Trevor Madin

Stephen Moten

Betty Bibby

Trevor Bibby

Kate Both

Lyn Fowler

Hugh Lees

Jamie Walhouse

Jill Wharton

It is encouraging to see that we have some new faces who will be involved with the running and organisation of the Club. To those who were re-elected we want to thank you for standing again and for your willingness to continue with the work you have previously done so well. We hope the new members of committee will make a valuable contribution too.

So here's to a very good year ahead of us. We hope it will be a successful one.

President's Report

Well another year has started for the Ballarat Camera Club and welcome to Betty Bibby, Jamie Walhouse and Hugh Lees to the Committee. And we say farewell to Jeff Noak who was the Secretary for the Club last year and did a great job and will be missed at the Club after tending his resignation to do other things in life. Thanks must also go to Colleen Rieniets for her job as Treasurer for many years but will continue on while Betty is away.

Now Don't forget the Inter-Club with the YMCA on 19th September at 7.30 at our club rooms in Barkly Street.

And let's have another great year.

Peter Cocks (President)

Prints & EDPI - 7.30 at 66 Barkly Street, Golden Point.
Open/Creative/SET TOPIC – 'Architecture' Public buildings exterior.
(the photos on this topic to be submitted on this date)

UPCOMING OUTING

The September Workshop should be an interesting one photographing a building site for Ballarat Construction Company. Below is part of a letter we received from the construction company.

To the Ballarat camera club.

We are a local construction company who are looking for some photographers to photograph an exciting new office building. We would like to offer some gift vouchers from a local photo shop as incentive for your members to take part in this opportunity. This is a very unique building and should create a great deal of disparity in photos.

We would judge the photos and select the winners with the following prizes proposed.

- 1st place \$800 voucher*
- 2nd place \$400 voucher*
- 3rd place \$200 voucher*

We would request all entrants to allow us to use their photos in the marketing and advertising of this building that will be entered into several awards.

We would suggest photos can be taken anytime in the month of September with entrants closing on 30/09/15. We would be available to open the building as required for photographers.

The address is 900 Humphray Street South and the builder will open up the building to allow us to photograph inside as well as outside.

The date for the workshop will be on Saturday 19th September and times are 8am and/or 5pm (to take advantage of different lighting on the building).

Please put this date in your diary.

Annuals Co-ordinator

Are you good at organising events and people?

Would you like to give something back to this Camera Club?

Could you make time for an important job?

Then would you consider being the Annuals Co-ordinator?

This position is an important one both for this Club and for the wider Australian Photographic community. The Ballarat National Photographic Exhibition is held every two years and draws photographers from all over the country with the winners having their photos hung and displayed in our very own Ballarat Art Gallery. There would be a lot of assistance for the job both from the previous co-ordinator and also from a team of very willing and capable folk. If you feel you could help, please talk to Peter Cocks at the next Club meeting on the 9th September.

New Club Members

Our club is comprised of people with many different backgrounds and it is this diversity of interests and skills that gives all of us such a wealth of variation in approach to photography. I think you will all agree that this becomes very obvious in each monthly competition. Many of our members are proficient in varying ways, both with cameras and/or computer programs, and are more than willing to share their knowledge with others. If you are new to the club, please ask for assistance and hopefully you can be matched with someone who can happily share their skills with you.

The Committee would encourage as many as possible to attend the Camera/Workshop nights held on the first Monday evening of each month. These are times for learning, talking and for having a 'hands-on' experience with photography and its many aspects. If you have any questions, please bring them along and someone in the group will be able to help you. Questions from beginners or experienced photographers, no question is ever considered to be silly.

The evenings are informal, very friendly as well as fun. Tea, coffee and supper are usually supplied.

We look forward to seeing as many as possible at these informative evenings.
